

STOP

With the concerns about COVID-19, we'd like to take every precaution to protect the health of our patients and colleagues.

If you are not feeling well, please call and reschedule your appointment.

If you:

- **have symptoms and recently traveled outside Canada, or**
- **were exposed to someone who has COVID-19**

Stay home and call HealthLine 811 for instructions. Do not go to an ER or medical clinic. If your symptoms worsen or you need immediate medical attention, call 911.

Recent travellers:

- **If you arrived from an international destination, including the USA, on or before March 15th and you are exhibiting symptoms, you need to self-isolate and monitor your health for 14 days.**
- **If you have arrived from an international destination, including the USA, on March 16th or anytime thereafter, you need to self isolate for 14 days, even if you have no symptoms.**
