MEETINGS OF ASSOCIATION

- 2(1) An annual meeting of the association shall be held in each calendar year at a time and place as may be determined by the board.
- 2(2) Notice of any meeting of the association shall be given to all members no less than 14 days prior to the date of the meeting.
- 2(3) A notice of any special meeting shall state the business to be considered at such meeting. Where at least twenty-five percent of members of the Association who are entitled to vote have made a written request to the board to call a special meeting of the association, the board shall cause a notice of such meeting to be given no later than 30 days after receiving a request for a special meeting, and the meeting shall be held no later than 14 days after the giving of such notice.
- 2(4) A quorum for an annual or special meeting shall be not less than twenty-five percent of the members entitled to attend and vote at such meeting. In the event that a quorum is not present within one hour of the time appointed for the commencement of the meeting, the meeting shall be cancelled.
- 2(5) Where an annual or special meeting has been cancelled due to a lack of quorum pursuant to subsection 2(4) the members present may form themselves into a "committee of the whole", receive and discuss reports and any other matter intended for consideration at the meeting, but no vote or votes may be taken that would be binding on the association or any of its members.
- 2(6) A committee of the whole, constituted as described in subsection 2(5), may vote to request that the executive director submit any question of import to a mailed or electronic vote of all members entitled to vote.
- 2(7) Where an election or elections was or were required but cannot be conducted at an annual or special meeting due to a lack of quorum, or it is a virtual meeting, the executive director shall cause the election or elections to be conducted by way of mailed or electronic ballots.
- 2(8) Subject to subsection 2(9) at a meeting of the association every question shall be determined by a majority of the votes cast on the question. In the case of an equality of votes, either upon a show of hands or upon a ballot, the chairperson of the meeting shall not be entitled to a second or casting vote.
- 2(9) Elections to each board position, whether conducted at an annual meeting or by electronic or mailed ballots, shall be conducted by a single round of voting and the person receiving the greatest number of votes shall be elected. In the case of a tie, the voting shall be repeated until a candidate has received more votes than any other candidate on a single round.
- 2(10) Any question at a meeting of the association shall be decided by a show of hands unless a ballot is demanded as hereinafter provided. Upon a show of hands every person who is present and entitled to vote shall have one vote. Whenever a vote by a show of hands has been taken upon a question, unless a ballot thereon is required or demanded, a declaration by the chairperson of the meeting that the vote upon a question has been carried and an entry to that effect in the

minutes of the meeting shall be prime facie evidence of the fact without proof of the number or proportion of the vote recorded in favour of or against any resolution or other proceeding in respect of the said question, and the result of the votes so taken shall be the decision of the association upon the said question.

- 2(11) On any question proposed for consideration at a meeting of the association, whether or not a show of hands has been taken thereon, any five (5) members entitled to vote at the meeting may require or demand a ballot. A ballot so required or demanded shall be taken in such manner as the chairperson directs. A requirement or demand for a ballot may be withdrawn at any time prior to the taking of the ballot. If a ballot is taken each person entitled to vote at the meeting upon a question shall be entitled to one vote and the results of the ballot so taken shall be the decision of the meeting upon the said question.
- 2 (12) If a meeting of the association is adjourned for less than 30 days, it shall not be necessary to give notice of the adjourned meeting, other than by announcement at the earlier meeting that it is adjourned. If a meeting of the association is adjourned by one or more adjournments for an aggregate of 30 days or more, notice of the adjourned meeting shall be given in the same way as for an original meeting.
- 2 (13) For those matters requiring a Notice of Motion, this notice must be provided by or on behalf of the mover or movers to the association office no less than 28 days prior to the next annual or special meeting of the association.
- 2 (14) Robert's Rules of Order shall govern procedure where the Act or the bylaws are silent.
- 2(15) The Board may establish rules for the conduct of elections by electronic means, including by internet voting for members entitled to vote. These rules must provide for reasonable access to voting and to the confidentiality and security of such voting processes.
